EXPERIENCE

Frontend Developer Intern | Sitesence, USA | [February] 2025 – Present

- Developing and optimizing user interfaces using React, improving performance and usability.
- Collaborating with the team to implement responsive and dynamic web applications.

IT SKILLS

- Core Java
- C
- JavaScript
- ReactJs
- HTML/CSS
- Tailwind CSS
- MySQL
- Basic of Python
- Ms-Word
- Ms-Power point

PROJECTS

Quiz Web Application

*Technologies Used: Python (Django), HTML, CSS, JavaScript*

- Developed a dynamic quiz web application using the Django framework for the backend, providing a robust structure for managing user accounts, questions, and results.
- Designed and implemented a responsive user interface with HTML, CSS, and JavaScript, enhancing user experience.
- Incorporated real-time features such as interactive quizzes, score calculation, and result tracking.
- Ensured scalability and maintainability by integrating database models for quiz questions, answers, and user responses.

## Weather Tracker Web Application

**Technologies Used:** *HTML, CSS, JavaScript, REST API*

- Created a weather tracking application where users can input a city name to retrieve real-time weather data, including temperature, wind speed, and Humidity, via API integration.
- Implemented dynamic frontend components using HTML, CSS, and JavaScript to provide a seamless and responsive user experience.
- Integrated a third-party weather API to fetch live data and display it in an intuitive format.

## Realtime Chat Application - MERN Stack

**Technologies Used:** *MongoDB, Express.js, React.js, Node.js, Socket.IO, Chakra UI.*

- Developed a full-stack real-time chat application enabling seamless communication between users.
- The app features user authentication, real-time messaging, Chatbot and a responsive user interface for optimal usability.
- Successfully delivered a real-time chat solution capable of handling multiple users simultaneously with enhanced security and a modern user experience.

## HOBBIES

---

- Playing Volley Ball & cricket
- Watching Movies & Web series
- Cooking
- Drawing

## ACHIEVEMENTS

---

- Certified in HTML, CSS, JavaScript, and Java from Bit Lab.
- Certified in MySQL from Udemy
- Certified in Python from RedHat LEAP 5.0
- Certified in Cloud Computing Functions from IBM.

## PERSONAL DETAILS

---
