WORK EXPERIENCE

Zensar Technologies

(Mar 2022 - Jul 2022)

Jr Software Engineer

My technical skills include proficiency in HTML, CSS, JavaScript, and Python. I have also worked extensively with popular front-end frameworks such as Angular. Overall, my experience in front-end technologies has allowed me to develop a broad range of skills and knowledge, from coding and design to project management and teamwork. I am confident in my ability to contribute to any front-end development project and am excited to continue growing and learning in this field.
